---

## ABOUT ME

Motivated and detail-oriented Computer Science Engineering student with strong foundations in web development and Java programming. Skilled at building responsive websites, debugging complex issues, and developing CRUD-based applications. Passionate about solving problems, learning continuously, and delivering polished, professional projects that blend technical accuracy with design excellence.

---

## EDUCATION

St. Mother Theresa Engineering College | 2023-2027

### Bachelor of Computer Science Engineering

- Focused on Data Structures, Algorithms, Database Management, Web Development, and Software Engineering

St. Joseph's Matriculation Higher Secondary School | 2021-2023

### Higher Secondary Education

- Built strong foundations in mathematics, logical reasoning, and computer fundamentals
- 

## PROFESSIONAL EXPERIENCE

Tamil Nadu, India | 2026–Present

### Web Development Projects

- Designed and deployed a responsive portfolio website using HTML & CSS
- Integrated EmailJS for seamless contact form functionality
- Debugged persistent CSS and image path issues, improving site reliability

Tamil Nadu, India | 2026–Present

### Java & Programming Projects

- Built a Java-based Student Management System with CRUD functionality
  - Developed applications to manage student records, showcasing OOP principles
  - Applied problem-solving skills to refine workflows and improve efficiency
- 

## CORE SKILLS

- Web Development:** HTML, CSS, JavaScript, responsive design, portfolio creation
  - Programming:** Java, object-oriented programming, data structures, algorithms
  - Tools & Frameworks:** EmailJS integration, Bootstrap, GitHub version control
  - Problem Solving:** Debugging persistent CSS/JS issues, refining user experience
  - Soft Skills:** Clear communication, collaboration, documentation, continuous learning
-
